

CAREER CHECK

CAREER PLANNING

- Y N 1. Do you take responsibility for your career success or have you let your career drift without a clear vision the future you want to create?
- Y N 2. Do you know yourself well- your strengths, weaknesses, values, goals? Is your work a good fit for who you are?
- Y N 3. Do you know your brand - how you're seen by others, what sets you apart and how you add value?
- Y N 4. Do you stay on top of market trends/issues that may impact your career future, either positively or negatively?

JOB SEARCH / SELF-MARKETING SKILLS

- Y N 5. Do you make it a point to cultivate relationships and build your network in your field, areas of interest and your community?
- Y N 6. Do your LinkedIn profile do justice to your strengths and your brand?
- Y N 7. Are you able to talk about your strengths and accomplishments, with compelling "stories" drawn from real work experience?

CAREER MANAGEMENT

- Y N 8. Are you continually developing your skills, including technical, leadership and soft skills?
- Y N 9. Do you seek broadening experiences, including volunteer or special project work that provides opportunities to practice new skills and make new connections?
- Y N 10. Can you manage your emotions well - stay positive through stressful times, bounce back from setbacks and remain flexible to change course when the circumstances demand?
